1

Step One: March - April

Your lawn is just coming out of winter dormancy. Get started right with our 13-2-5 lawn food.

Crabgrass Preventer *plus* Lawn Food | 13-2-5 w/ Dimension®

- contains Dimension® pre-emerge herbicide
- one application gives great control of the ugly crabgrass you don't want
- promotes deep green growth
- each 50 lb. bag treats 6,250—12,500 sq. ft.

2

Step Two: May - June

Continue to feed your lawn while killing those early summer weeds!

— DRY OPTION —

Bounty Weed & Feed | 24-3-3 W&F

- dry granular product
- 24-3-3 analysis containing broadleaf post-emerge herbicide
- one application kills dandelions and many other broadleaf weeds
- feeds lawn with fast acting and long lasting nutrients
- each 40 lb. bag treats 10,000 sq. ft.

— LIQUID OPTION —

Liquid Fertilizer | 18-3-6 50% NBN

- one easy application feeds lawn
- each 2.5 gallon jug treats 5,500 sq. ft.
- dilute with water at a 1:1 ratio

— plus —

Liquid Weed Killer | Triplet®

- one easy application kills unwanted weeds
- each 1 gallon jug treats two acres

3

Step Three: June - July

While continuing to nourish your lawn, help retain that rich green color that we all want.

— DRY OPTION —

Bounty Fertilizer | 24-3-3

- dry granular product
- 25% slow release Nitrogen

— LIQUID OPTION —

Liquid Lawn Fertilizer | 18-3-6 50% NBN

- 50% non-burning fertilizer for hot summer months
- each 2.5 gallon jug treats 11,000 sq. ft.
- dilute with water at a 1:3 ratio

4

Step Four: September - October

Consider this your lawn's "midnight snack." Our 15-30-15 blend will prepare your lawn for the long, winter dormancy.

Bounty Fertilizer | 10-20-10

- formulated for lawns in Central Ohio
- builds deep green fall lawn
- promotes healthy roots for winter
- each 50 lb. bag treats 8,000—10,000 sq. ft.

In addition to the products above, we carry a full line of lawn fertilizers, chemicals and grass seeds, including:

Bounty All-Purpose Fertilizer | 12-12-12

- promotes root growth
- excellent for trees and shrubs
- 50 lb. bag treats 8,000—12,500 sq. ft.

Pelletized Lime | 0-0-0

- great for raising the pH level
- excellent for pre-seeding of new lawns
- 50 lb. bag treats 2,500—5,000 sq. ft.

Grass Seeds

- OHIGRO Royal Lawn Mix
- OHIGRO Quick Gro
- Earth Carpet
